

PROVE IT WITH EVIDENCE FROM THE TEXT

BECAUSE THE TEXT STATES...	The puppy was very energetic. I know this because the text states that he was running and jumping all over the boy.
FOR INSTANCE, IN THE TEXT...	There are many reasons why Mary liked to play the piano. For instance, in the text I found that she became lost in the music, which helped her regain calm.
THE AUTHOR STATED...	The party was a great success. I know this because the author stated that everyone was smiling and laughing.
IN PARAGRAPH ___ OF THE TEXT, IT SAYS...	It is a long way to Australia from Ottawa. I know this because in paragraph six of the text, it says that it is a 24-hour flight.
